

Glen Lottie 2015 Don Jennings Awardee

Glenn has led a long and productive life and Manistee County has benefited from Glenn's community involvement since his retirement and move to Northern Michigan in 1998.

Glenn has been busy! He served on the Manistee County Commission, including Chair, the Soil Conservation District, the Spirit of the Woods Conservation Club, the Manistee Historical Society, the Dickson School renovation project, and is still active in the Kaleva Lions Club. He has chaired the United Way and the Manistee County Democratic Party.

In 2014, Glenn was prompted to run as a candidate for MI Senate District 35 because our Republican incumbent was not representing Northern Michigan citizens and our values. Although he didn't win, Glenn's presence in the election process brought Senator Boohar "out of the woodwork" and he even visited the Manistee Democratic headquarters to meet Glenn.

Glenn's comments at the League of Women Voters Candidate Forum was highlighted by a sincere, honest and heartfelt comment about his philosophy of life, "We have to keep fighting the good fight and let people know the truth." With his wife Pat at his side, the citizens of Northern Michigan have benefited from Glenn's caring, humble, and faithful service.
